## Description

This book celebrates the 25<sup>th</sup> anniversary of the Orangutan Foundation. It provides a glimpse into the world of the orangutan through a collection of photographs of the flora and fauna found in Tanjung Puting National Park and the Lamandau Wildlife Reserve, Central Kalimantan, Indonesian Borneo.

World renowned wildlife photographers Anup Shah, Ian Wood, Brian Matthews, and David Yarrow have contributed as have award winners from the Orangutan Foundation's staff in Indonesia.

**In recent years forest fires have caused significant loss of orangutan habitat . All proceeds from the sale of this book will go towards the Orangutan Foundation's Forest Restoration Programme.**
